

My dear seniors & their families,

I don't know how to the even write this final week communication. I am so proud of the accomplishments you have achieved. I am inspired by your perseverance. I grieve over the time we lost together in class; however, am so thankful for the time we did have. I hope you enjoy this week of celebrations!

Our class plans are extremely easy this week! We will discuss Parasite on Monday and Tuesday and then we're finished! As of this evening, I am still missing 10 students who have not [signed up](#), please do so as soon as possible. I'll also have an open office "hour" on Wednesday afternoon if you want to "drop by" and say one last goodbye 😊

It has been a blessing,
Ms. Boas
