The Adventures of Huckleberry Finn - Outside-The-Circle Online "Discussion"

Hi folks!

While you're on the outside of the Socratic Seminar, you will do the following:

- 1) Go to www.turnitin.com
- 2) Click on the Discussion tab
 - You should see a choice of find 5 prompts in which to respond
- 3) Read through the 5 prompts and **choose 3 in which to create an original post** (directions are after each prompt)
- 4) Once you have created your three original posts, **go back and respond to three other people's original posts.** (directions are after each prompt)

In other words, by the end of Thursday's class, I should see your name on:

- 3 original posts
- 3 responses

Does that make sense?

**Test on Huck Finn tomorrow! Are you ready?!?!
40 MC Questions.**

When you finish this, and still have time, Mr. Maechler encourages you to finish the map as well as study for Tuesday's exam.
